Waukee Miracle League Complex Board:

Thank you for inviting me to attend the meeting in June 2018 to share the plans for the Waukee Miracle League.

This is a wonderful and much needed project, and one that has my support.

Mosaic in Central Iowa supports over 250 adults with intellectual and developmental disabilities, in a seven county area in central Iowa; as such, the people we serve would very much benefit from this project coming to fruition.

Thank you again for including me at your recent meeting, and thank you for your advocacy in action for all people with disabilities.

Sincerely,
