

July 31, 2018

Waukee Betterment Foundation Board;

We are so excited about the Waukee Miracle League ball field and play area, especially the all-inclusive fishing pier. Spurgeon Manor is home to over 100 residents that include 25 independent living units, 20 residential care units and 54 nursing units.

Attending ball games and fishing trips are activities our residents enjoy every year. An assessable facility close to Dallas Center will increase the opportunities for our residents to participate in these outings.

Please let us know how we can assist in supporting this project.

Sincerely,

Maureen Cahill, NHA, MJ, MBA
