Waukee Betterment Foundation,

Thank you for inviting us to the vision meeting for the Miracle League/All Inclusive Complex hosted by the Waukee Betterment Foundation. As representatives of the Waukee Community School District, we are pleased and excited for this vision to become a reality.

There are approximately 300 students, preschool through senior high, attending Waukee Schools who will benefit from this complex both within and outside of the school day. It is also important to realize the positive impact this will have on these individuals once they become adults and continue residing within the community.

Thank you again for having this vision and the potential reality of this complex.

Sincerely,

A handwritten signature in blue ink that reads 'Terry Hurlburt'. The signature is fluid and cursive, with the first and last names being the most prominent.

Terry Hurlburt, Associate Superintendent  
Waukee Community School District

A handwritten signature in blue ink that reads 'Peg Erke'. The signature is cursive and elegant, with the first and last names being the most prominent.

Peg Erke, Director of Student Services  
Waukee Community School District
